Ringgold County Hospital

RCH is an affiliate of MercyOne. Services provided by our 16-bed critical access hospital have expanded far beyond inpatient care. We now provide same-day outpatient surgeries, infusion therapy, cardiopulmonary rehab, physical therapy, sleep studies, medical imaging, and more.

The hospital also owns and operates the Ringgold County Ambulance Service and the Mount Ayr Medical Clinic. We also regularly host specialty outpatient clinics, so our patients have access to the specialists care they need, when and where they need it. We are continually adding new services and equipment as resources permit, so we can continue to serve as your partner in health.
