Rehab Aide

Position: Rehab Aide

Position Type: Part time

Salary: \$15-17/Hour

Inspire Rehab is seeking a motivated part-time Rehab Aide to join our team at Ringgold County Hospital in Mount Ayr, IA. This role provides a meaningful opportunity to support physical, occupational, and speech therapists in delivering exceptional care to patients within our rural community.

As a Rehab Aide, you will assist therapists with a variety of tasks related to patient care. Responsibilities include preparing patients for therapy sessions, assisting during treatment as needed, maintaining clean and organized treatment areas, managing therapy supplies, greeting and scheduling patients, and carrying out additional duties as assigned by the therapy team.

The ideal candidate is safety-focused, professional, and highly organized. Strong interpersonal and communication skills, basic computer proficiency, and a compassionate approach to care are essential. A positive attitude and the ability to work well as part of a team will contribute to your success in this role. Compensation will be based on your education and relevant experience. If you are passionate about helping others and eager to grow in a supportive healthcare environment, we encourage you to apply and become a valued member of our team!

To apply, please email your resume directly to: careers@inspirerehab.com

Ringgold County Hospital partners with Inspire Rehab to provide high-quality rehabilitation services within our Critical Access Hospital. Rehab team members are employed by Inspire Rehab but work onsite at RCH, combining the support of a leading rural rehab provider with the close-knit, patient-focused environment of our local hospital. This partnership helps keep innovative, accessible rehab care close to home for our community.

Inspire is an E-Verify employer.
