PROHIBITION OF REDISCLOSURE

This form does not authorize redisclosure of medical information beyond the limits of this consent. Where information has been disclosed from records protected by federal law for alcohol/drug abuse records or by state law for mental health records, and HIV/AIDS test results, federal requirements (42-CRF, Part 2) and state requirements (Iowa Code ch. 228 & ch. 141) prohibit further disclosure without the specific written consent of the patient or as otherwise permitted by such law or regulations. A general authorization for the release of medical or other information is not sufficient for these purposes. Civil and/or criminal penalties may attach for unauthorized disclosure of alcohol/drug abuse or mental health information related information or HIV/AIDS test results.
